There will be no refunds for late arrivals, early withdrawals, terminations, or missed sessions. If a course is cancelled due to lack of enrollment, tuition will be refunded in full.

Leaving the Building: Students may not leave the building between or after classes unless they have written permission from a parent or guardian exempting MTC from liability. A parent or guardian must pick-up their child inside the building. Students may not play, congregate, or wait in the parking lot for their rides. MTC will only be responsible for students while they are in class.

Please Note: MTC reserves the right to refuse admission to any student for whom full payment has not been made by the first class or 2 weeks before the start of camp. It is expressly agreed and understood that if any student is found possessing illegal drugs, alcoholic beverages, leaving the assigned class areas, damaging or defacing property or conducting him/herself in an inappropriate fashion, the student may be dismissed at the sole discretion of the directors with no reduction or reimbursement in tuition. As further consideration of this enrollment, it is agreed that MTC may and has a continuing paid-up perpetual license to use any photographs, film, or any other medium in which the student appears for publication, advertisement, and/or exhibition.
